ENLOSADO CERÁMICO INTERIOR

ENLOSADO CERÁMICO EXTERIOR (Antideslizante)

CUBIERTA NO TRANSITABLE DE GRAVA

This architectural floor plan illustrates a residential property featuring a swimming pool, a garden, and a house with a detailed interior layout. The plan is set on a grid background.

Swimming Pool and Garden: A large rectangular swimming pool, colored blue, is situated on the left side of the plan. It is surrounded by a green area representing artificial grass. A white path, likely made of external ceramic tiles, runs along the top and right sides of the pool area. A small square feature, possibly a well or a small garden bed, is located at the bottom right of the pool area.

House Interior: The house is located on the right side of the plan. It has a white exterior wall and a grey roofline. The interior is divided into several rooms, each with a specific floor covering as indicated by the legend:

- Living Room:** Located at the top of the house, featuring a white sofa, a coffee table, and a fireplace. The floor is covered in orange internal ceramic tiles.
- Dining Room:** Adjacent to the living room, featuring a white dining table and chairs. The floor is also covered in orange internal ceramic tiles.
- Kitchen:** Located at the bottom right of the house, featuring a white countertop, a sink, and a stove. The floor is covered in orange internal ceramic tiles.
- Bedroom:** Located at the bottom left of the house, featuring a white bed. The floor is covered in orange internal ceramic tiles.
- Bathroom:** Located at the bottom right of the house, featuring a white toilet and a bathtub. The floor is covered in orange internal ceramic tiles.
- Staircase:** Located between the living room and the bedroom, featuring a white staircase.
- Entrance:** A small white area at the bottom left of the house, likely the entrance.

Exterior Features: Two cars are parked on the right side of the house, on a white path. A small square feature, possibly a well or a small garden bed, is located at the bottom right of the pool area.
